**REFERENCE: STUART WRIGHT
 UCANDO**

TO WHOM IT MAY CONCERN

Stuart Wright of UCANDO has been an integral part of our school's programme for the last five years.

Stuart visits our annual Year 13 camp at Ohope Beach and takes the students through his programme. Students complete an evaluation sheet of the camp and Stuart's programme always receives comments as being one of the highlights of the camp.

Stuart also provides a two hour programme at school for selected groups of Year 9 and 10 students during term one. Once again the evaluation sheets show the worth of what students get from the programme. This is followed up with an evening session for parents of the students who also get much from Stuart's presentation.

For motivation and igniting what students can possibly do to improve their learning, Stuart's programme is a must.
